Testimonials

"Front Page was exceptional and professional. They rolled in hassle-free, and played an incredible show that was loved by all. Their blend of music and instant connection with the crowd was remarkable. We immediately re-booked them again for the same event next year."

-- Cathy Bupp, Town of Pooleville

"I had the pleasure of booking Front Page this past New Year's Eve at a local Restaurant/Bar in Timonium. From the first song till the very last song of the evening, the dance floor was packed all night! The band brought the best of the 80's and 90's along with songs from other eras with fantastic precision. I can't recommend them enough! Book them with confidence!"

-- Scott Bondroff, Local booker/promoter

"If you're looking to recapture the magic of the music you grew up on, and feel the rush of live performance done right, look no further than Front Page! Their electrifying energy transforms every show into an unforgettable experience, engaging with the crowd and bringing their energy to a whole new level."

-- Paul Buscemi, Marketing Manager, Charles Village Pub
